

MORGAN COUNTY SCHOOLS
STUDENT OBSERVATION REPORT

Student's Name: _____ Date: _____

School: _____ Grade: _____

Date of Observation: _____ Time: _____ Length of Observation: _____

Please conduct an observation of the requested student and address the following points in a descriptive narrative that adequately addresses each area and describes the student's behaviors sufficiently. Please be descriptive and provide as much information as possible (use additional sheets of paper if need be). The prompts to be addressed are:

- Activity that was occurring during the observation
 - Student's behavior during the activity compared to peers (attention level? Cooperation level? On task?)
 - Interaction level with peers
 - Classroom climate
 - Please provide a copy of the assignment being completed
-
